Dear Sir;

While looking for homestead land last spring I succeeded in obtaining 80 acres part of the home-stead quarter from the new Township, Stiller, T. 2. 6-39 19 W. for which I was obliged to pay $10 for entry. Just Victorson

Agent at Lacombe
claims to have
scripped three
others 320 acres
which he has
been trying
to sell to
different ones
at prices
ranging from
$4.50 to $7.00
From things
I have heard
I think
perhaps they
really had
two fifty claims
on the land.

Will you kindly
inform me if
Mr Keith's claim
really has a just-
claim to the land.
Can a quarter
be so divided
as to give a government

he likes. If there
is any chance I
want the first

Sir,

It has recently been noticed that upon granting homestead entry to Mr. Charles Keith for the S.E.¼ of section , township 39, range 19, west 4th meridian, you collected from him a entry fee of $10.00, and I am to request that you will be good enough to advise the Department why the full fee of $10.00 was collected from him when under the present regulations $5.00 fee only is exacted for an entry for a quarter section.

Department of the Interior,

Memorandum:

The Agent of Dominion Lands at Red Deer recently reported an entry in the name of Mr. Charles Keith for the S.½ of the S.E.¼ of Section 6, Township 39, Range 19, West Fourth Meridian, covering an area of 81.70 acres and that a $10.00 entry fee had been paid; and he (the Agent) was thereupon requested to advise the Department why the full fee had been collected from the entrant when, under the present regulations a $5.00 fee only was exacted for an 80 acre homestead.

The Agent now states in his letter of the 22nd ultimo that as Mr.Keith's homestead contains 81.70 acres he could not according to the present regulations charge him less than a $10. entry fee.

Clause 10 of the amendment of the Dominion Lands Act of 1908 reads as follows:-

> Any person who is entitled to make a homestead entry for land under the Provisions of the said Act may select as his homestead one or more of the Legal Subdivisions of any section, which comprise one quarter section thereof; and if the area so selected and entered for is not greater than 80 acres he may be granted his entry therefor for one-half of the amount of the fee which is exacted for a homestead entry for a whole quarter section.

In view of this provision of the Act kindly say whether in the present instance the full entry fee of $10.00 should be exacted. I think that when the entry is for one-half of the quarter section the entry fee should be $5.00 notwithstanding the fact that the area may be a little over 80 acres.

Sir:

I beg to refer you to Departmental letter of the 20th of August, 1926, authorizing you to reserve certain lands adjoining the land holdings of the Canadian Land and Irrigation Company.

The Department has now decided to withdraw this reservation and lease the available parcels to the holders of grazing permits on the adjoining lands owned by the Company, subject to a special clause to be inserted in each lease providing for its termination when the lessee ceases to hold, under grazing permit, the adjoining lands of the Canadian Land and Irrigation Company.

The applicants for these areas in question will be required to produce satisfactory evidence that they hold the adjoining lands under grazing permit.

On the attached list I am furnishing you with the standings of these lands according to Departmental records. Kindly check these standings with your records and report to the Department when such action has been taken, furnishing full particulars in the case of any discrepancies.

Kindly advise Mr. Walter P. McCarley, Vauxhall, Alberta, of this decision, as well as any others who may have inquired at your office regarding this land.

I am attaching hereto a schedule of Lands formerly held by the Canada Land and Irrigation Company, Limited, under Licenses of Occupation. These Licenses of Occupation have now been cancelled and you are hereby authorized to carry out cancellation of the same in your records.

In connection with these areas, it would appear that the balance of the quarter sections in Township 14-11. W. 4th M. the K.K. 19-16-17. and K.E. 36-16-17. W. 4th M. are patented and that the balance of the lands are vacant or covered by grazing applications. You should, therefore, make a note in your records in connection with all these quarter sections, which are now released, are these fractional areas, which are disposed of, to the effect that available for disposal.

In connection with the quarter sections, the balance of which have been patented, you should procure from the Registrar for the District an Abstract of Title, showing the registered owner of the patented area and forward same to the Department for further action.

Re: N.E.¼ 33-12-12 W. 4th Meridian,
P. C. No. 1313.

In dealing with that portion of the above described quarter section containing 3.14 acres, more or less, revested in the Province by the Dominion, I find upon examining a copy of P.C. No. 1313, on Page No. 10, the third paragraph, this land is inadvertently described as the N.E.¼ 32-12-12 W. 4th Meridian.

This matter is drawn to your attention so that you may take whatever action you may deem necessary in order to make the correction.

Your file 192 Gen.

Replying to your letter of the 16th ultimo I beg to inform you that upon examining the original Order in Council dated the 7th August, 1931, P.C. 1313, it is found that that portion of the North East quarter of Section 33, Township 12, Range 12, West of the 4th Meridian, lying West of Bow River and being comprised within the canal right of way, containing 3.14 acres, more or less, Duplicate Certificate of Title 26 V 125 (Int. No. 640) was transferred to the Province.

Mention of the North East quarter of Section 32 in the printed copy of the said Order in Council is doubtless a typographical error only.

A signed copy of the Order in Council was sent to the Registrar at Calgary on the 22nd October, 1931.

appl to hold E½ 30 - 9 - 23 - W4 for entry

Lethbridge 5th January 1904

The Hon. Clifford Sifton
Minister of the Interior
Ottawa Ont.

Dear Sir

I see the N.W. Mounted Police have homesteaded from home and on the N.E. ¼ of Sec 30 Tp. Range 23 W of 4th Mer on which land I have since lived I have a family of five children two of them are boys aged 16 and 18 years respectively. As a quarter section of land is not enough for such a large family I would thank you to inform me if I can have the East half of Section 30 of same township and range as above for my two sons until such time as they are old enough to make homestead entry for themselves. Sections 17 and 29 are leased and the balance of Sec 30 is taken up so that I am totally hemmed in.

In the expectation that my boys could eventually take up the East half of Sec 30 I have leased said section.

I am a Canadian by birth and as much to make my permanent home in the land I now occupy it would be a great hardship to me should be compelled to move again in a year or two. I am my request is not complied with.

I feel assured in as this favour can be granted that it will not readily be forgotten

Yours truly
J. H. Cunningham

Sir,

I beg to acknowledge the receipt of your letter of the 8th instant, and in reply to say that your request to have land patented for your boys who will be 18 and 14 years, cannot be granted. It is desired to discontinue the treatment of settlement to hold lands under such circumstances for no land in would be necessary in this case. After your eldest son is 17 years old it would be possible to have your claims, if you then complied with the requirements again.

Memorandum.

The Agent at Lethbridge reported under date the 6th September last that he had received an application to homestead that part of the W. ½ of 18--7--18, W. 4th M., lying north of the river; containing [illegible] acres and asks if entry might be granted subject to the excess area being paid for.

He subsequently reported in his letter of the 16th September last that Mr. James Parr had informed him that his brother would like to purchase that part of the S. W. ¼ of the said section lying north of the river if he were to be granted entry for the W. ½.

The lands applied for are vacant in the records of the Department; and are shown on the sketch herewith.

A Mr. Paul Trudel made application in January last to homestead the E. ½ of the N. ½ of this section; but he would appear to have taken no further action in the matter.

The agent was told at the time before described not to grant the land to obtain a Rd. Inspt's report as there appeared to be some improvements thereon according to the plan of survey. I do not think that entry should be granted for the N½ of the N½ of the [illegible] as applied for.

Ref. 85250C.

Department of the Interior,

Ottawa, September 19th, 1905.

Memorandum:

With reference to Mr. Cote's memorandum of the 2nd November last, relative to the applications which had been received for the balance of Section 14, Township 7, Range 28, West Fourth Meridian, I beg to say that the Agent of Dominion Lands at Lethbridge was duly informed, in accordance with your decision that there would appear to be no objection to the application being granted for homestead entry for that part of the W. 1/2 of the said section, lying west of the River, but that a Homestead Inspector's report should first be obtained.

The Agent now submits Mr. Homestead Inspector O'Brien's report in which the latter states that he found no improvements on the W. 1/2 and the S.E. 1/4 of this section, and that the W. 1/2 is very light soil lying on the high bench of the Old Man River, and that the S.E. 1/4 could be utilized for getting stock to water. He states further that the S.E. 1/4 would be of considerable value to the individual holding the W. 1/2, and that the former parcel would be of no use to any other person. He adds that, owing to the W. 1/2 being high bench land and very light soil, he doubts whether in dry season that crops could be raised successfully; and that, therefore, by going into mixed farming and running a small herd of cattle, the success of the settler would be more secure. He, in consequence, recommends that the S.E. 1/4 be sold with the W. 1/2 at the current rate.

I think, in view of the Homestead Inspector's report that the W. 1/2 of this section, north of the river, might be disposed of as a homestead and sale and the E. 1/2, north of the river, be disposed of in the same manner.

Respectfully submitted,

W. W. Cory, Esq.,
Deputy Minister of the Interior.

her

reason of the [illegible] have arisen by originally carried out, since the sale was which traverses the South East quarter of the section, has changed considerably. This is illustrated on the sketch on file hereunder.

It was at one time decided to allow Mr. Barr to acquire an area of 75.5 acres North of the River according to the latest survey but this is obviously impossible by reason of the fact that some of this land was previously shown on the plan as being South of the River and has been patented to another party. An Abstract of Title, which is now on file hereunder, shows this area South of the River as standing on record in the name of John Smedstad while the most northerly 160 acres of this half section stand in the name of Kate A. Barr, having apparently been transferred to her by Mr. William Barr previous to his death.

The Surveyor General was requested to have this matter investigated by a surveyor at the earliest opportunity. He has replied, stating

that it would require a special trip by a surveyor to reach the locality and is of the opinion that a further survey would not be useful to determine a boundary between these two parcels of land, as it is quite possible that the River will again change its course.

As the 40 acre portion South of the River, which is now owned by John Smedstad, lies in the South half of the quarter section, the Surveyor General suggests that it would seem practicable to offer to the Estate of Mr. William Barr the land not covered by the waters of Oldman River in the North half of the quarter section comprising an area of 70.5 acres computed from the latest survey (4 acres of this have already been patented). This would give access to the River and leaves the area of land in the South half of the quarter section at 64.2 acres so that there is a balance of 24.2 acres which might be offered for sale to Mr. Smedstad.

I would, therefore, recommend that Mrs. Kate A. Barr, the registered owner of the most northerly 160 acres of this half section, be allowed to purchase the unpatented portion of the fractional North half of the South East quarter containing an area of 66.5 acres and that the account of the late William Barr be adjusted accordingly to this basis. On the completion of payment, patent might then be issued to Kate A. Barr as proof of ownership of the adjoining land is now on file.

I would also recommend that Mr. Smedstad be communicated with to ascertain if he wishes to acquire the balance of the South half of this quarter section comprising 24.2 acres at a similar valuation.

Sir,

With further reference to your letter of the 12th March last, and my reply thereto of the 2nd ultimo, I am directed to inform you that the Agent of Dominion Lands at Edmonton has advised this Department that Mr. Joseph Rocette's scrip was located on the S.W.¼ of Section 22, Township 43, Range 16, west 4th Meridian, on the 11th October, 1905, and as the assignment from Mr. Rocette to Frank Shulte of Spring Lake, of the said ~~section~~ land, was executed on the 9th October, 1905, it cannot be accepted by this Department, as under no circumstances is a transfer of a Half-breed location executed prior to the date of such location recognized by the Department. The assignment and other documents which accompanied your letter of the 12th March last are therefore returned to you herewith enclosed, as it will be necessary to have a new assignment executed by Mr. Rocette.

Ottawa, 2nd November, 1905.

Sir,

Referring to your letter of the 16th September, ref. 73904, I beg to return enclosed the application for patent of Mrs. Louis Philippe Dainville for the N.E., of Section 36, Township 44, Range 16, West 4th Meridian, and to say that it is considered necessary that the case should be fully investigated by the Homestead Inspector. From the papers on file here it appears that Mrs. Dainville made application in 1904, for permission to make homestead entry in her own name, and she filed a declaration to the effect that her husband had deserted her and four young children on or about the 1st May, 1902, and had not subsequently contributed anything towards the support of herself and family; that she had not taken any legal proceedings, but that the separation was absolute and final. On these grounds it was decided that she might make homestead entry, but it now appears from a statement made by Mrs. Dainville that her husband has returned and that she has been living with him in the town of Daysland. She states that she has parted with him a second time, but there are communications on file giving the facts somewhat differently.

Encl.

The residence claimed by this homesteader is with her father on adjoining land, and, therefore, she is not entitled

The Agent of Dominion Lands,

entitled to take credit for any such residence prior to the date of her entry. Counting from the date of entry it would seem that she has not put in sufficient time. You will notice that the residence is wrongly given, as it states that she has continued to reside on the land until the 1st December '1908'.

The Inspector should visit the land and make full enquiry as to the residence, and he should also report fully as to whether or not Mrs. Manville can be considered as entitled to hold a homestead in her own right, particularly whether or not her husband has at any time held a homestead in her own name. Please ask the Inspector to take the evidence of independent witnesses so that the facts may be clearly established.

Memorandum:-

This deals with the naturalization of a Mrs [illegible]. Mainville who obtained a homestead entry in her own right, although her husband subsequently turned up.

The homesteader herself was instructed to forward her certificate of naturalization, and she did this in accordance with our instructions, the judge granting her one. Would this be sufficient for our purposes, the husband in this case being a ne'er do well, and as he, apparently, is no asset to his family, it seems hard that we should hold the application for patent for his naturalization certificate, particularly as he might make more or less unpleasantness about it.

I presume the judge should not have granted the wife her certificate of naturalization, but as she holds a homestead entry and has performed her duties and has actually obtained naturalization papers, could these not be accepted?

Respectfully submitted,

T.G. Rothwell, Esq.,

Dear Sir.

After returning to Alberta from my trip to the east and examining my title to my homestead I find that I have been mistaken I thought my quarter was the S W quarter of 34 Range 1 west of the fifth & have been doing my settling duties on the quarter. My sons made out and located the land for me & my other son he has his same day booked yet & intended the S W quarter for me & the S E quarter for his brother but the mistake must have been made in applying for them. The mistake never being detected until now My one son not being here having a permit of absence from Ottawa for two years. He intends coming out the 1st of May will be here by [illegible] but his family is sick. If I and my son are agreeable

will it be possible to have our
entries changed by taking the S E
quarter & & the S W. & this also
improvments done on the S E quarter
10 acres broken & has been in crop for two
years & the same fenced. To show
that this is a genuine mistake I
will mail you the last receipt to
show I have been paying taxes on
the S W quarter. be kind enough
to return them with your answer.
Will you be kind enough to withhold
the cancelation until my ans arrives

Department of the Interior,

Ottawa, 11th April, 1905.

Memorandum,

With reference to Mr Cory's memorandum of the 16th August, 1904, in which he instructed that a Homestead Inspector's report be obtained in connection with Mr. Alex Robertson's application to purchase the S.W., of section 22, township 30, range 2 west of the 4th meridian, I beg to draw your attention to Mr. Inspector Grant's report on this subject, which was transmitted to this Department on the 3rd October last, but through inadvertence, was filed on file instead of being submitted to my attention.

It would be observed, however, from the report, that the quarter section in question is totally unfit for agricultural purposes; and that notwithstanding, Mr. Robertson owns two-thirds of the section, the land would be worth to him $3. per acre for grazing purposes.

The Reverend James Black of Aldsbury, Alberta, represented to the Department that he was desirous of homesteading the quarter section in question, but was told by letter of the 24th December, last that an application prior to his had been received and was awaiting the requested Inspector's report before being dealt with.

The agent of Dominion Lands at Calgary encloses a communication from Mr. A.E. Robertson, agent of Mr. W.J. Gibson, stating that Mr. Gibson desires to have his application, for the quarter section in question, remain in force so that, in the event of its not being sold to Mr. Robertson, he would have the first right.

Send to Mr. Robertson & Mr. Gibson's agent for information

Commissioner of Dominion Lands.

MEMORANDUM:

Mr. Dixon,

Attached hereto is a letter from W. H. McDougall, of Macleod, Alta., with regard to his own homestead and that of his mother. It seems his mother's homestead is the N.E.¼ 4--11--25 West 4th M. Evidently she has had an extension of time, but although they have made every endeavour they have not been able to fulfil the conditions upon which the extension was granted. However, under the circumstances, as set out in this letter, I think the homestead entry of Mr. McDougall and that of his mother may properly be protected until the 1st June, 1905. Please give directions accordingly.

Dear sir:-

The N.W.1/4 of this section has been homesteaded by one Macdougall, the N.E.1/4 by his widowed mother. There are a few acres of land broken on these homesteads but unfortunately the other day Mrs Macdougall died. What I wish to ask is that her son be allowed to fulfill the conditions on her homestead as well as his own and her homestead be granted for the benefit of her family. Buildings will be put up & the necessary number of acres broken this summer.

MEMORANDUM.

In accordance with your request I beg to report regarding the letter of Mr. A.F. Grady to the Minister dated the 7th ultimo.

The N.E.¼, Section 4, Township 11, Range 25 West of the fourth meridian was the homestead of Mrs. McDougall. She died without performing the required duties and her son is desirous of completing them.

Under the regulations these duties must be performed in exactly the same way as the late homesteader might herself have done them had she survived, but the son wishes to be allowed to continue to reside on his own homestead instead of going upon his mother's land. There is however no way under the Act by which this may be allowed.

Referring to the letter of Mr. [illegible]. Grassy addressed to the Minister in your behalf, I beg to say that under the regulations of the Department the duties in connection with the N. E. ¼ of Section 4, Township 11, Range 15, West of the Fourth Meridian, the homestead of your deceased mother, could be performed in exactly the same way as she might have herself done them had she survived, and it would not be possible to grant your request to continue to reside on your own homestead whilst completing the duties instead of upon your mother's land.

In view of all the circumstances of the case it has been decided to permit the legal representatives of your deceased mother to purchase the land at the minimum rate of $3.— per acre in lieu of the performance of further duties. The terms of sale will be one-fourth on cash and the balance in three equal annual instalments, bearing interest at 6%. To the Honorable Minister of the Interior
Dear Sir

I wish to call your attention to a violation of the Homestead law. This is the case, a man named Mc Dougall of Mc Leod Alta, took up two homesteads in 1902 or 3 one for himself and mother, his mother never saw the homestead but died in 1902. or 3, there was no improvements done till 1905, the man never lived on it as the law says he must. but simply came an occasional Saturday night and went away again Sunday night and sometimes Monday Morning, and he dont deny that the moment he can get a patent for the half Section it will be for Sale, on the Books at Lethbridge it shows that this homestead has been Sold to this same Mc Dougall, which is contrary to the law, Now Sir I have just arrived from Scotland and a (bona fide farmer) and I intend to make Canada my home, I ask you Sir to be allowed to take up this homestead

according to law, this man has no right to the two homesteads, if he applys for a patent he will be forced to commit perjury because he cant truthfully say that he has complied with the law as regards his own homestead, much more the other one, a man of that stamp is of no use to the West that by crooked work obtains two homesteads, just to get a patent then sell out and leave the country So I ask again Sir that the law be carried out and that I be allowed to take up this homestead The land in question is the N½ of Section 4, 11. 25. W. of the 4 Meridian The particular Homestead is the NE¼ of 4. 11. 25. So Sir hoping you will set this matter right I remain yours respectfully

In reference to letter of
July 8th re. NE¼ of S. 4. 11. 25 W. 4th
I fully believe that there is some trick being played
on the Government to obtain possession of
this homestead. I dont see where the right to sell
the homestead comes in being that Mr McDougall
died and never saw the homestead, and there was no
improvements on it not till 1906 about 2 years after
she died. all the improvements consists of now is a
piece of land broken and fenced 3 sides will
you please write me fully as to what the settle-
-ment duties are and if possible a copy of Mr
McDougall's declaration regarding the homestead
for I fully believe that he is not entitled to the
homestead and I know well that he is only waiting
to get a patent to sell out hoping you'll

The Commissioner of Dominion Lands,
O T T A W A.

Sir,

I, Murray Anderson Miller of the city of Saskatoon, have a Homestead entry for the North East Quarter of Section 12 Township 50 Range 1 West of the 3rd. Meridian,- which entry I made in the month of February 1904. I have about 20 acres broken on said quarter and have also a house built thereon. I have the whole place fenced and I keep about 100 head of cattle thereon. I have put in the necessary residence duties for two years but am unable to live there this year. I am accordingly desirous of obtaining title to said quarter by use of scrip, and I accordingly apply to you for leave to do so. No application for cancellation of said homestead entry has been made.

Yours truly,

Murray Anderson Miller.

above statements are correct in every detail. I might add that the present extent, is due to increased supply we might have of canceling the grants enclosed that he had scrip to hand over to the real fact that the Dominion Land Office, asking if it might be cancelled if required was sent to me. I was informed that my grants might be cancelled after June 30th when duplicates would be issued without my cancellation. I wrote to Head Office South Battleford and pressed my self on June 3rd, for cancellation of both quarters and was told that scrip had been applied for on the 20th inst. that the papers had not yet gone through the issuing branch. To say the matter of the grants rests entirely on my judgement. I do not want to know if this office has any cancellation. Should I make my payment due to you suppose a speculator sold his grant to me who will get a patent and sell for I will farm it. I need the lands in getting it.

Your attention is called to the above and oblige you, Sir

Sir:-

I beg to refer you to your letter of the 23rd of January, 1904, addressed to Messrs. Munson & Allan, Barristers, Winnipeg, - file No. 854913 - stating that there was seed grain indebtedness charged against the S.W. ¼ 20-22-1 W. 5th Mer. amounting to $35 and interest thereon from 1st April 1896, this amount having been advanced to the patentee, W.H.Wood, and to say that a representative of the firm of Messrs. Lott & Co. of this City, called at this office redently and advised me that they had made a search in the Land Titles Office here and could find no trace of the indebtedness registered against the quarter section in question. It may be possible that the amount of Mr. Wood's indebtedness has been paid into the Department and I would ask you to be good enough to advise me at as early a date as possible if such is the case. According to our records this amount is still outstanding and the Seed Grain Bond is still on file here.

Sir,

I beg to enclose herewith a rough sketch of section 6--14--24 West of the 4 th. M., which shows the homestead entry
ENCL/ of Mr. D.B.Vanl[illegible] and also the portion of land applied for by Mr. [illegible]. A. Vanl[illegible], and [illegible] the stock watering reserve.

You will notice that part. S. 11, and all L. SL. 13 appea as vacant, and these settlers would be glad to know whether or not they could finally purchase these 70 acres.

Memorandum.

I beg to submit for your perusal the Agent's letter of the 15th ultimo, hereunder, stating that Mr. D. E. VanHorn, the homesteader of the N. ½ --14--24, 4th M., would like to have the fractional S. E. ¼ of this section lying east of the river added to his homestead, and that, if this were done, it would make the area of his homestead 160 acres and would permit of his obtaining a patent without a survey being made.

The land applied for is vacant in the records of the Department; and, as Mr. VanHorn's homestead would be brought up to the theoretical area of 160 acres by the addition thereto of such land, and in view of the fact that a homestead entry may include land on both sides of a stream, I beg to recommend that his application be granted.

The Agent states on file 57:5:C herewith that Mr. William J. VanHorn has made application to homestead the N.½ of Legal Subdivision 6 and all of Legal Subdivisions 4, 5 and 12 of the said section 6, and asks whether such application may be granted. This land is vacant in the records of the Department and is not railway land.

The Agent also states in his letter of the 15th ultimo on file 5:1227 herewith that Messrs D. E. and T. L. VanHorn would like to purchase jointly part of Legal Subdivision 11 and all of Legal Subdivision 13 of this section, containing 70 acres. The S. W. ¼ of Legal Subdivision 11 is reserved for stock-watering purposes, but the balance of the lands applied for are vacant in the records of the Department.

All the lands affected by these applications are shown on the sketch hereunder.

of Dominion Lands.

Mr. Campbell,

The Agent of Dominion Lands at Lethbridge, forwards here an application from Mr. D. B. Vanhorn to purchase the South half of Legal Subdivisions 9 and 16 and the South East quarter of Legal Subdivision 11 of Section 6, Township 14, Range 24, West of the 4th Meridian. This land is a cancelled stock-watering reserve and was offered for sale at public auction in June last but was not disposed of. No applications were received from persons holding adjoining lands to purchase this land within the 90 days allowed, nor has another application been since received to purchase. The Agent at Lethbridge states that Mr. Vanhorn and his brother control the balance of the West half and North East quarter of this section. Under the circumstances there does not appear to be any reason why the applicant should not be allowed to purchase the land applied for at the rate of $2.00 per acre.
